

# ORGANO™

## ORGANIC GRAPSEED SUPPLEMENT

A concentrated source of healthy linolenic acid from grapeseed oil extract to help maintain good health.

ORGANO™ Grape Seed Oil captures the natural goodness of this incredibly versatile gift of nature. Hailed for millennia for its enriching properties, grape seed oil is an excellent antioxidant, and is naturally rich in a number of phytochemicals and essential fatty acids.

### WHAT IS IT?

A source of linoleic acid for the maintenance of good health.

### KEY INGREDIENTS

**Grapeseed Oil Extract** – extracted from the seeds of grapes, this extract is a concentrated source of Linolenic acid that supports good health.

**Tocopherols** – are a form of vitamin E, that can help keep foods stable.

### DID YOU KNOW?

Grapes (*Vitis vinifera*) have been heralded for their medicinal and nutritional value for thousands of years. Egyptians ate grapes at least 6,000 years ago, and several ancient Greek philosophers praised the healing power of grapes, usually in the form of wine.

### HOW TO USE IT

1 softgel, two times per day.

Always read and follow the label, including caution and warning information. This product may not be suitable for everyone
