Let's talk travel

The Travel industry generated 10.4% of all global economic activity last year and is considered a trillion dollar industry.

Around 1.2 billion people travelled around the world last year.

It is also the second-fastest growing sector in the world after manufacturing and ahead of healthcare (+3.1%), information technology (+1.7%) and financial services (+1.7%).

Consumers are showing their inherent love for travel and now the demand for international travel is flourishing thanks to apps, Internet and travel tech.

TRAVALLA™

More than a travel portal! Travalla is a Software as a Service platform created to revolutionize the travel industry with its incredible products and services.

ORGANO

Our Travel Getaways membership gives you access to one of the biggest travel inventories in the world with affordable prices in: Resorts, Condos, hotel rooms, flights, cruises, excursions, car rentals and more!

Our Forever Weeks program lets you book one, two and even four weeks in our many Condo Resorts and hotel rooms. Plus, you get awesome travel guides willing to help you plan the trip of a lifetime.
