TRAVEL GETAWAY PORTAL

The Travel Getaway Portal affords savings to the Member on nightly or weekly stays, great cruises, auto rentals, excursions, and shopping within the Travalla system. It is intended to meet or beat online pricing and be a single source for travel. This relieves the member from surfing several different travel sites and spending hours evaluating the best deal out there. The weekly stays are the greatest value and are priced so if even just 3-4 days are used, the value will still beat the competition for hotel usage.

Everyone starts with the Travel Getaway Portal and it provides Members the ability to book hotels, a taste of condos, cruises, air, auto rentals, excursions, shopping with potential access to Forever Weeks and Brio (future program).

This Travel Getaway Portal works in conjunction with the upgrades to Forever Weeks Benefits and must be kept active to enjoy the Forever Weeks Benefits (and Brio when it is released). Monthly and annual payments are available for the Travel Getaway Portal.
