

Roll up Setup Instructions:

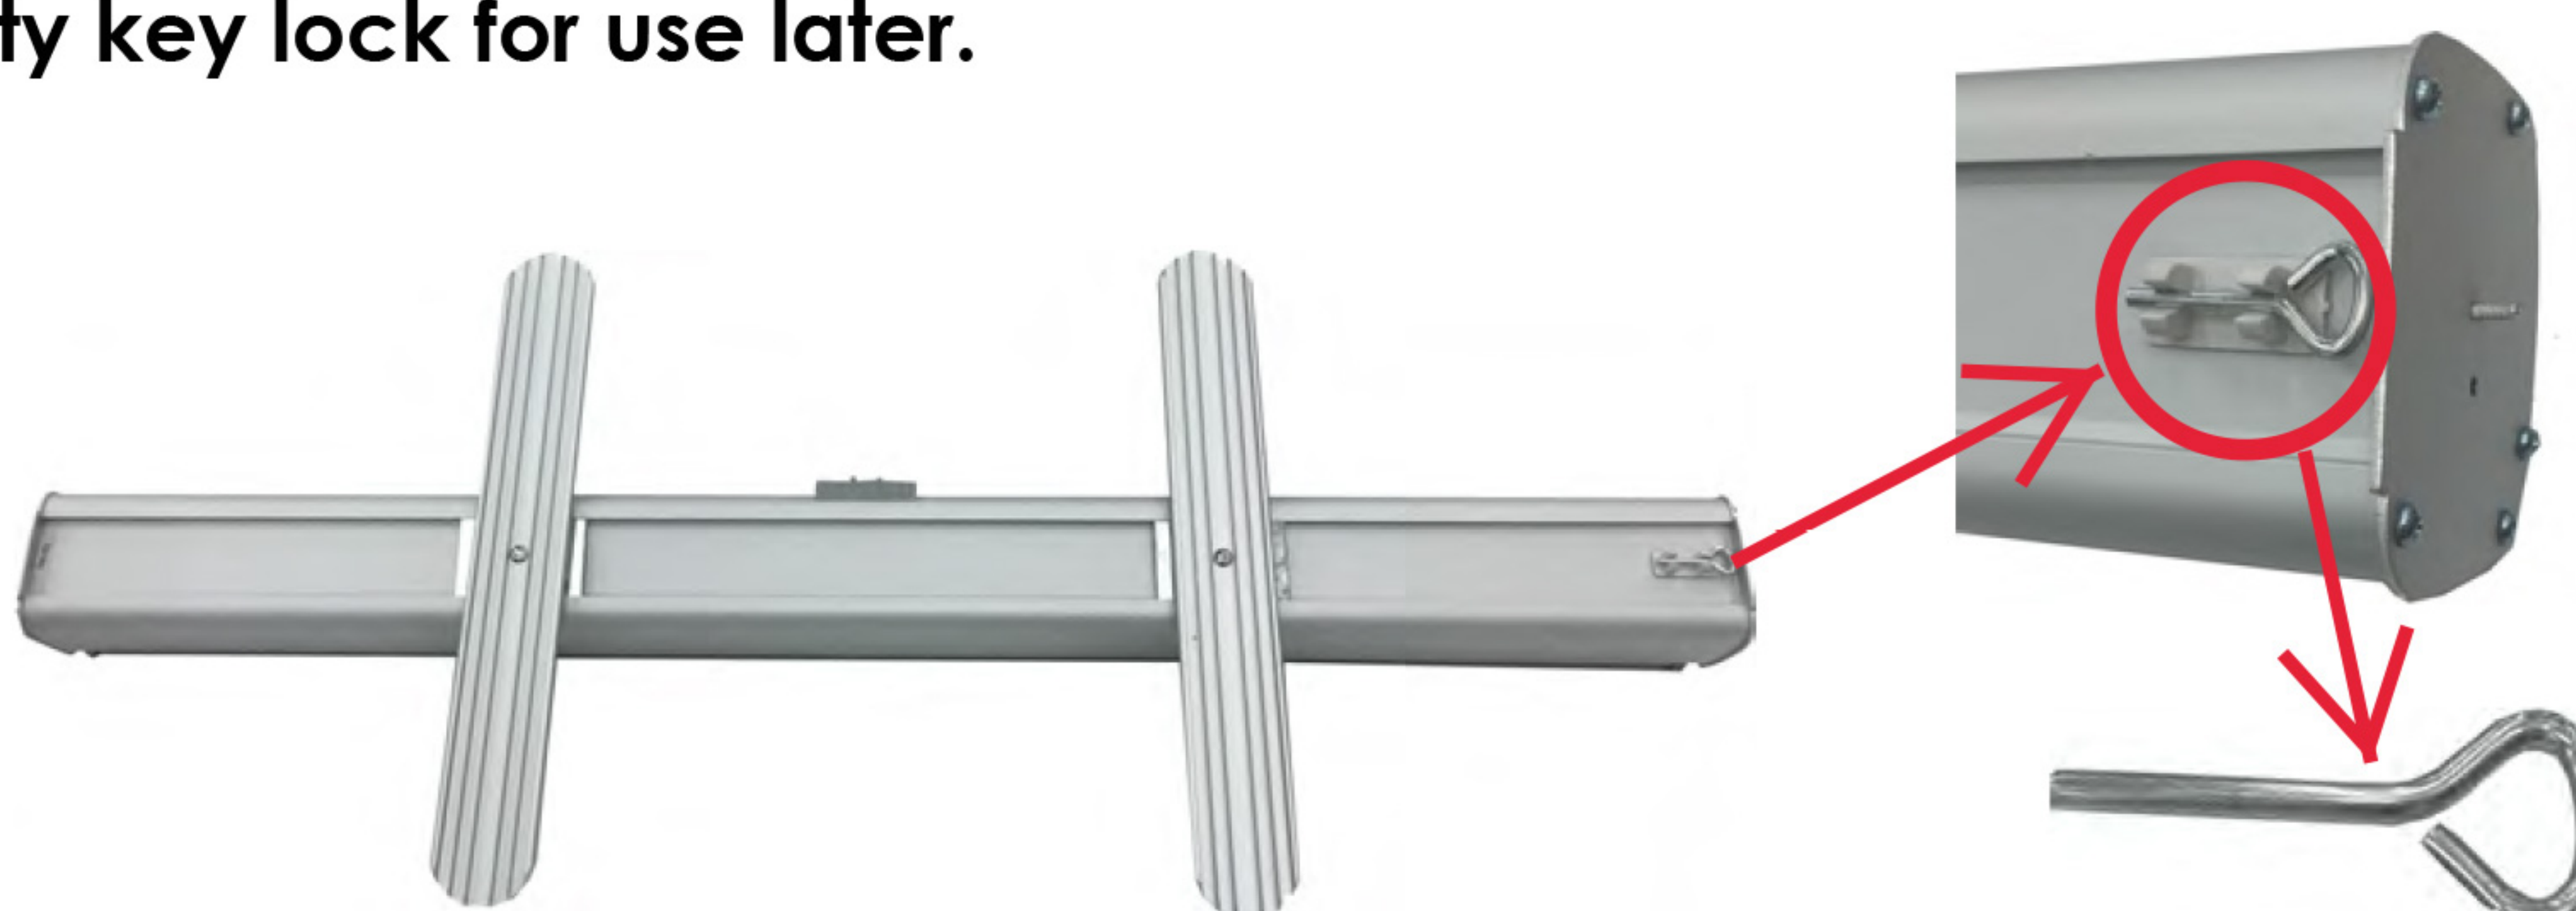

1. Remove the banner stand from the carrying bag.

2. Swivel out the feet.

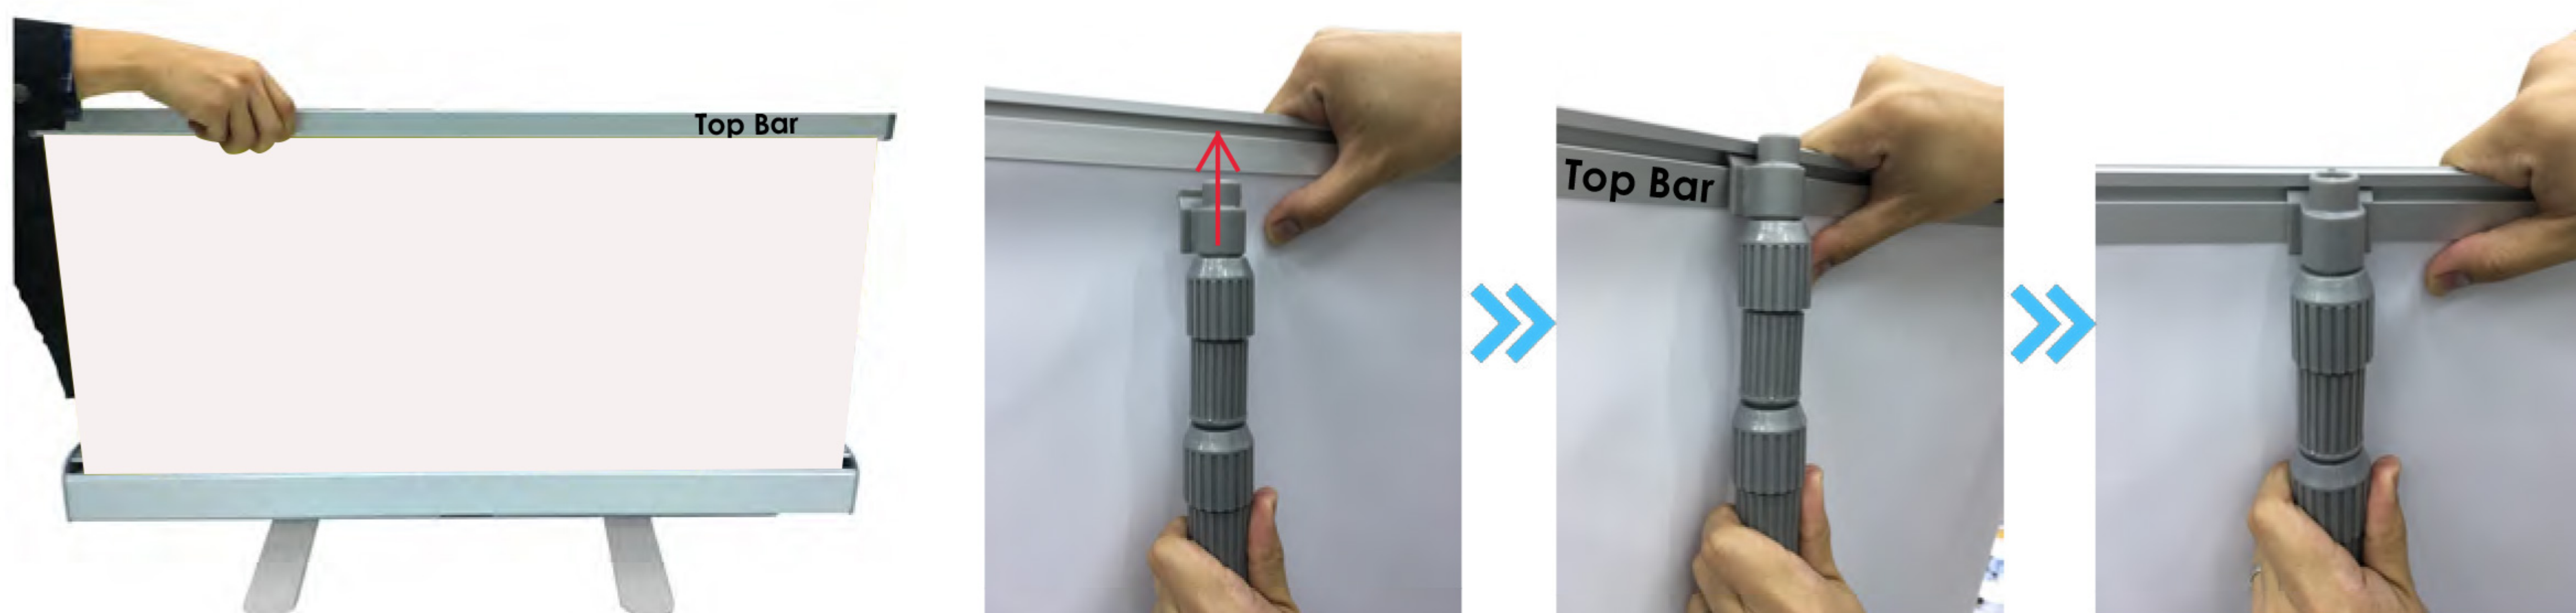

3. Remove safety key lock for use later.

4. Insert the pole into the base.

5. Pull banner up. Insert the tip of the pole to the center of the top bar.

6. Extend the pole to desired height and carefully tighten by twisting both screws clockwise.

7. Attach safety key lock to secure banner and prevent from rolling down.
